Matthews & Hawkins P.A. announces the formation of Matthews Jones & Hawkins, LLP

Destin, Florida...

For nearly thirty years Matthews & Hawkins, P.A. and Jones & Flowers have shared the same values and professionalism in representing clients and friends in Northwest Florida.

Now the formation of Matthews Jones & Hawkins, LLP will continue to provide the local representation you have relied upon for insight, integrity, and innovation. Our mission is to provide quality legal services to achieve client satisfaction in leading the growth of a vibrant and sustainable economy for Florida's Great Northwest from Pensacola to Tallahassee.

"With the election of my former law partner, Michael Flowers, to the Circuit Court bench, the timing was perfect for us to join forces. As our area has grown the need for a full service firm has grown, and I look forward to Matthews Jones & Hawkins, LLP meeting all the legal challenges faced by our neighbors and friends," said Michael Jones.

"Michael Jones has provided ethical and professional legal services at the highest level to the Niceville community for over 25 years. We have been close friends since junior high school and we have often talked about teaming up to practice law. This is a childhood dream come true and I could not be more excited about what lies ahead for our firm and our community," said Dana Matthews.

Matthews Jones & Hawkins, LLP has offices in Niceville, DeFuniak Springs and Destin providing legal services across the full spectrum of real estate representation, estate planning, probate, personal injury, asset protection, corporate reorganization and complex work-out transactions, civil, criminal, and family law litigation.
